

New Mexico Utility Contractors Association

Invitation
April 17, 18, 2019
Happy Hour Reception
& Golf

You're invited to join the New Mexico Utility Contractors Association's Board of Directors and local peers in our industry for an informal drop-in reception at Red Hawk Golf Club.

NMUCA is an independent state association representing utility contractors and their associates. After representing the industry through the 2019 legislature, we would like to share our priorities with you and value your input. We would also like to share with you our continued focus and efforts to promote and protect our industry.

Register to Attend

Or Call

Reinee Peacher, DuCross Construction & NMUCA Board Member, at 575 636 3023

Red Hawk Golf Club is located at 7502 Red Hawk Golf Road, Las Cruces, NM

NMUCA promotes, protects, and preserves the utility and excavation construction industry. Our members encourage each other's success regardless of competition and come together in respect and love of our industry. As an independent state association, we invest in our local economy and focus on safety, education, damage prevention, legislation, regulation, business practices, and industry funding and promotion. We have been operating in New Mexico since 1980.
