## Contractors & Associates

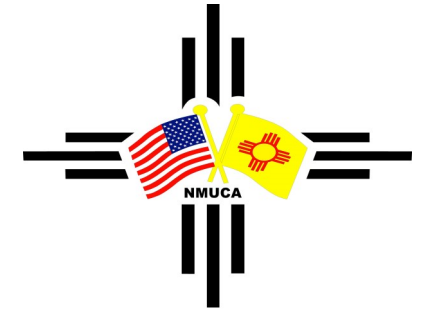

Working together  
For 44 Years

Do you wish you had a little more time at NMUCA Meetings to talk to members? Well, on August 22, 2024 you will have that opportunity at the Associate Showcase. As an Associate member of NNMUCA you may participate in this event at no charge. (only NMUCA Associates can participate as a vendor) We'll start early at the regularly scheduled membership meeting so that our members, guests, and potential members can browse around a display area where you may set up a booth or just have a place to talk. Interested? Call the Association office at:

**Phone 505 888 0752**
